

Key Features

- Easy setup: Instant autofocus and auto keystone
- Great portability: lightweight and small enough to fit in most handbags and backpacks
- Engaging visual: Cinema SuperColor+™ in full HD resolution
- Exceptional sound: Integrated speakers by Harman Kardon
- Expanded connectivity: Wi-Fi, Bluetooth, USB Type-C

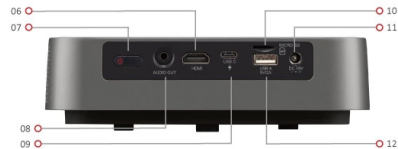

Product Description

The M2e is a 1080p Full HD smart portable LED projector that delivers instant fun at the push of a button. Setup is effortless with instant auto focus and advanced auto keystone capabilities, and its ultralight portable design allows you to take the cinema experience wherever you go. Experience crystal clear visuals in Full HD resolution and cinematic colors covering 125% Rec.709 supported by ViewSonic's industry-leading 2nd generation LED technology. The M2e combines pixel-perfect images with exceptional sound quality through integrated dual speakers customized by Harman Kardon. Add even more fun with smart connectivity features such as Wi-Fi for wireless screen mirroring to get your phone up on the big screen, Bluetooth for alternative audio options, and USB Type-C for direct single-cable streaming from Nintendo® Switch.
