

# EF-11

## DATASHEET / BROCHURE

Plug and play with this stylish, compact and portable laser projector. Immerse yourself in supersized entertainment with built-in Miracast.

Compact and lightweight, the EF-11 is easy to move from room-to-room. This compact laser TV projector, part of the new EpiqVision Mini range, projects instantly and almost on any surface. Display content from a phone, streaming device, laptop, games console, and more with built-in Miracast. Keystone correction makes it quick and easy to set up, and with laser light source technology you can enjoy entertainment for years to come.

### **Stylish, mini laser projector**

The EF-11 measures just 18cm along its longest edge, only weighing at 1.2kg. It can be projected onto almost any surface with or without a screen. It's elegant rounded corners and minimal buttons will make you want to leave it out on display for everyone to see.

### **Bigger is better**

Create the big screen experience wherever you want with an impressive 150-inch display. With Epson's equally high White and Colour Light Output images are clear, sharp and content is brought to life.

### **Simple set up**

We don't think a home projector should be any more complicated to use than a TV. That's why this projector is quick and hassle-free with features such as keystone correction to help position the image. Accessing your entertainment is easy too with Miracast built in, and a HDMI port for connecting DVD players, games consoles and more.

### **Long-lasting solution**

The long-lasting laser light source will provide lower energy consumption, and you'll be able to enjoy home entertainment for up to 10 years<sup>1</sup>.

### **High-quality, sharp images**

This powerful yet affordable mini laser projector delivers exceptionally colourful images with clear details. It's 2,500,000:1 contrast ratio also produces clearly defined shadows and deep blacks. Epson's 3LCD technology means it's projectors have up to three times brighter colours than comparable 1-chip DLP projectors<sup>2</sup>.

## KEY FEATURES
