FEATURES

- Strength** - the welded steel construction and full length piano hinges provide a highly durable solution.
- Lockable** - separate lockable charging compartment for peace of mind.
- Perfect charge** - each tablet is profiled and the optimum charge is then delivered to each device.
- Wall docking** - securely attached to the building with robust docking brackets.
- Easy wheel** - large diameter, individually locking wheels with four grab handles for easy maneuvering.
- Smart design** - small footprint and strong but lightweight design includes numerous features like the rounded corners to protect door frames and walls with large diameter wheels. Each of which has independent locking.
- External main power supply** - switched and fused, safely tucked away (underneath or on the rear), with a storage shelf
- Low power consumption** - natural convection ventilation to prevent heat build up inside the unit without the use of electric fans.

CELEBRATING
26 YEARS
 1996-2022

This solution has been specially designed for the management of multiple tablets and iPads. The unique Loxit design combines weight saving technology with years of engineering expertise.

Flexible storage within each compartment - 270 x 300 x 30mm - the ideal space for... Laptops, E Readers, Tablets and Phones. Four grab handles provide excellent maneuverability with easy access to the tablets from above.
