

EH-TW740

DATASHEET / BROCHURE

Recreate the awe-inspiring cinema experience at home with this easy-to-use Full HD, 3,300 lumens projector.

Creating the big screen experience at home is easy when you've got this Full HD projector, that can achieve an impressive 386 inch display. It's simple to set up and includes 3,300 lumens of brightness for a clear and bright image. It's a long-lasting solution too with the lamp life providing 18 years' worth of entertainment¹.

Bigger is better

Feel immersed in your favourite movies and games with this Full HD 1080p projector, that's capable of creating an impressive 386 inch display. Bringing the screen to life, 3LCD technology achieves a display that is up to three times brighter than competitor products². Its 16,000:1 contrast ratio also produces clearly defined shadows and deep blacks.

Simple set up

We don't think a home projector should be any more complicated to use than a TV. That's why this projector is hassle-free and quick to set up with features such as keystone correction to help quickly position the image. Accessing your entertainment is easy too with the HDMI input for connecting DVD players, games consoles and more. Thanks to the optional ELPAP11 adapter, it offers Wi-Fi connectivity, allowing you to share content from a smart device using the iProjection app.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for watching your favourite movies? With this model's long-lasting lamp light source, you'll be able to watch a film every day for 18 years¹.

High-quality, bright images

Even in bright rooms, this powerful yet affordable Full HD 1080p projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,300 lumens.
